## Clubs SwimMark and Club Affiliation

Any club which is blank will be suspended from updating their Online Membership System for the club. This means that its members will not be insured for any activities (i.e. training, competitions or any other club activities).

Clubs which have recently achieved Club Affiliation (previously Stronger Affiliation), are now able to progress to SwimMark if they wish. There are a number of benefits to achieving SwimMark which can be found here: <https://swimnorthwest.org/swimmark-benefits/>
