

SENW Water Polo Management Group

Team Manager – Role Descriptor

Role

The Team Manager role is primarily to provide administrative support to the coaching team and pastoral support to the squad.

We are looking to appoint a Team Manager to the North West Inter-regional Water Polo team. This role will work under the direction of the Head Coach, and any other specialist professionals

Main Duties

- Build a strong relationship with the players, Head Coach, and any specialist support staff.
- To promote strong squad values including respect, punctuality, hard work,
- To contribute to a healthy environment for athletes.
- To ensure that a suitable Risk Assessment is in place and adhered to when required.
- To ensure Swim England safeguarding policies are followed at all times.
- To be a role model and ambassador on behalf of Swim England North West, building positive healthy relationships.

Essential Skills & Experience Required

- To complete a Swim England DBS check and Safeguarding training
- To have or be willing to undergo a Team Manager 1 (2 if there is an overnight stay) course prior to starting the role.
- Knowledge of safeguarding and an understanding and commitment to safeguarding (Wave Power), inclusion, and equal opportunities
- An understanding of individual responsibility in complying with Health and Safety
- Understand the demands and challenges of managing a team both domestically and internationally, in training and competition
- Understand the rules relating to GDPR

Desirable

- First Aid Qualification
- Experience in a similar role

Skills

- Demonstrate good communication skills

- Well organised and approachable
- Passionate about the development of Water Polo in the North West

Terms of appointment

The position is voluntary with expenses in line with Swim England/Company Policy.

Commitment

A training block and attendance at the inter-regional championships.
