

Coach Development Opportunity

GoCardless Swim England National Winter Championships 2024

Where: Ponds Forge International Sports Centre

Date: Wednesday 4th December

Time: 6.30pm (straight after the technical meeting)

Topic: Coach Wellbeing

Description:

Coach Wellbeing is a priority area for Swim England, the coaching team and the sport. We want to recognise the brilliant but difficult job coaches play in sport. As we look to the future of supporting coaches in the Aquatics, we wanted to mark this event with a dedicated session on coach wellbeing.

This session promises to be quite different to your normal CPD workshop. Where we will be using storytelling to highlight aspects of coach wellbeing in a novel way. We hope that the session will inspire and provoke you.

We would like to welcome all coaches that are attending the event as well as all other coaches that can get to Sheffield on a Wednesday night.

If you can please sign up in advance [SIGN UP LINK HERE](#)

Also, please spread the word.
