General Information

The Championship Entries Manager has the authority to adjust the number of entries accepted to ensure the event is compliant with Swim England licensing requirements.

The Swim England North West Event Promoters reserve the right to amend the competition, for example:

- All events to become heat declared winners, meaning no finals – this enables the organisers to spread the events over a longer period of times to reduce venue capacity.
- Run the event without spectators.
- Restrict entries in line with the license, by rejecting the slowest swimmers first.
