Romiley Marina Swimming Club was formed on the 7th July 1973 – when the pool was opened by former GB swimmer Diana Wilkinson.

The club has achieved many successes over the years including being the swimming club where 3 times Olympian James Goddard's swimming career began. The competitive squad remains strong, with RMSC being proud to have members competing at intertown, Level 3, Masters, County, Regional and National levels.

Our swimmers range from 5 to 67 years old and we cater for all ability levels from learn to swim lessons through to masters. Our team of friendly and dedicated teachers and coaches work closely with swimmers of all levels and abilities to develop technique, stamina and confidence.

RMSC is a not-for-profit club and we pride ourselves on providing high quality, low cost accessible swimming for the local community.

We are looking for a qualified Level 2 swimming coach to join our team lead by our Head Coach and the Learn to Swim Coordinator. Responsibilities could include coaching of the RMSC competitive squad and Mini Marinas along with learn to swim sessions. All club sessions are run in the evening on Tuesdays, Thursday, Fridays and Sundays.

You will join a friendly and supportive team of Coaches, Teachers and Volunteers and be offered regular set hours per week on agreement with Head Coach and Committee and on receipt of proof of qualifications and subject to DBS check.

You should be willing to work as part of a busy team and be confident in teaching and coaching all ages and abilities. The club also takes part in both intertown and external galas that may be outside of normal training and lesson times, so you may be required to attend these events or to cover training sessions for other coaches/teachers, so a willingness to be flexible would be an asset.

If you would like to join our team, then please apply in writing to Chairperson Gemma Murphy using the above e-mail address.
